REPORT OF THE BOARD OF DIRECTORS FOR FINANCIAL YEAR ENDED 31ST MARCH, 2026

10. MEETINGS

During the Financial Year 2025-2026, 7 (Seven) Board Meetings were held on 02.04.2025, 30.05.2025, 12.08.2025, 14.10.2025, 10.11.2025, 20.11.2025, and 10.02.2026. The Intervening gap between the Meetings was within the period prescribed under the Companies Act, 2013.

11. PARTICULARS OF EMPLOYEES

None of the employees of the Company have received remuneration in excess of the limits prescribed under Rule 5(2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, during the financial year under review.

12. POLICY ON APPOINTMENT OF DIRECTORS AND REMUNERATION POLICY OF THE COMPANY

The Remuneration Policy for Directors, Key Managerial Personnel ("KMP") and other employees of the Company, adopted by the Company, aligned to the philosophy of fostering a culture of leadership with trust and was in compliance to the provisions of the SEBI Listing Regulations. It aims to ensure that the level and composition of the remuneration of the Directors, KMP and other employees is reasonable and sufficient to attract, retain and motivate them to successfully run the Company.

However, post delisting of the equity shares of the Company, the said policy is no longer statutorily applicable upon the Company and has accordingly, been revoked. The erstwhile Policy, applicable during the financial year under review, is available for members of the company for inspection at its registered office during the working hours of the Company and copy of same will be sent to the member on request as per Section 136 of the Companies Act, 2013.

13. BOARD EVALUATION

Pursuant to the provisions of the Companies Act, 2013 and SEBI Listing Regulations, the Board has carried out an annual performance evaluation of its own performance, the Directors individually as well as the evaluation of the working of the committees of the Board. The Board of Directors was assisted by the Nomination and Remuneration Committee. The performance evaluation was carried out by seeking inputs from all the Directors/Members of the Committees, as the case may be. The Directors expressed their satisfaction with the evaluation process.

The Independent Directors of the Company also had a separate meeting on February 10, 2026, to review the performance and evaluation of Non- Independent Directors and the Board as a whole.

14. STATUTORY AUDITORS

M/s. G. P. 26. The Secretarial Audit Report, in the prescribed **Form No. MR-3** is annexed to the Board Report as **Annuxure-A**.

There are no qualifications, reservations, adverse remarks or disclaimers made by the Secretarial Auditor in the Secretarial Audit Report.

17. INTERNAL FINANCIAL CONTROL SYSTEM

During the Financial year under review, the Company endeavored to improve the control environment, based on the suggestions and recommendations of the Audit Committee, Internal Auditors and Independent Directors.

The Internal Auditor monitors and evaluates the efficiency and adequacy of Internal Financial Control System in the Company, its compliance with operating systems, accounting procedures and policies. The Company has adequate Internal Financial Control System commensurate with its size, nature and complexities of the business.

18. COMMITTEES OF THE BOARD

A. Composition of Audit Committee ("AC")

The composition of the Audit Committee as at the end of the financial year under review, is as given below:

Name of the Member(s)	Category
Mr. Ashwani Agarwal	Chairman and Independent Director
Mr. Ashish Kumar Upadhyay	Independent Director
Mr. Jayesh Maitra Majumder	Non – Executive Director

The composition of the Audit Committee is in line with the provisions of Section 177 of the Companies Act, 2013, regulation 18 of SEBI (LODR), 2015 Regulations and RBI Master Direction. All the Members of the committee have the ability to read and understand financial statements and have relevant finance and / or audit experience. The Committee met four times during the year under review on the following dates: 30.05.2025, 12.08.2025, 14.10.2025 and 10.02.2026. The meetings were attended by all the Members of the Committee.

B. Nomination & Remuneration Committee ("NRC")

The composition of the Nomination & Remuneration Committee as at the end of the financial under review, is as given below:

Name of the Member(s)	Category
Mr. Ashwani Agarwal	Chairman and Independent Director
Mr. Ashish Kumar Upadhyay	Independent Director
Mr. Jayesh Maitra Majumder	Non – Executive Director

The Nomination and Remuneration Committee develops the competency requirements of the Board based on the industry standards and growth strategies of the Company, conducts gap analysis and recommends the reconstitution of the Board, as and when required. It also recommends to the Board, the appointment of Directors having good personal and professional reputation and conducts reference checks and due diligence of all Directors before recommending them to the Board. Besides the above, the NRC ensures that the new Directors are familiarized with the operations of the Company and endeavours to provide relevant training to the Directors.

The Committee met twice during the year under review on 30.05.2025 and 12.08.2025. The meeting was duly attended by all the Members of the Committee.

C. Stakeholders' Relationship Committee ("SRC")

The composition of the Stakeholders' Relationship Committee at the end of the financial year under review is as given below:

BAID MERCANTILES LTD.

58 Elliot Road, 2nd Floor, Kolkata – 700016

CIN: U70109WB1988PLC044591

REPORT OF THE BOARD OF DIRECTORS FOR FINANCIAL YEAR ENDED 31ST MARCH, 2026

Name of the Member(s)	Category
Mr. Ashwani Agarwal	Chairman and Independent Director
Mr. Ashish Kumar Upadhyay	Independent Director
Mr. Jayesh Maitra Majumder	Non – Executive Director

The responsibilities of the SRC, inter alia, are to consider and resolve the grievances /complaints of security holders of the Company. The Committee met once during the year under review on 10.02.2026. The meeting was duly attended by all the Members of the Committee.

Post delisting of the equity shares effective July 6, 2026, the statutory requirement for Board Committees under SEBI (LODR) Regulations, 2015 ceased to apply. Further, since the Company does not attract the financial thresholds prescribed under Rule 6 of the Companies (Meetings of Board and its Powers) Rules, 2014, the Board of Directors dissolved the Audit Committee, Nomination & Remuneration Committee, and Stakeholders Relationship Committee, with functions merged into the Board of Directors as permitted under the Companies Act, 2013.

D. Vigil Mechanism

The Board had adopted the Vigil Mechanism, which also incorporates a Whistle Blower policy to promote reporting of any unethical or improper practice or violation of the Company's Code of Conduct or complaints regarding its accounting, auditing, internal control or disclosure practices. It gives platform to a Whistle Blower to report any unethical or improper practice (not necessary violation of Law) and to define processes for receiving and investigating complaints. The confidentiality of those reporting violations is maintained and provide adequate safeguards against victimisation of persons who use such mechanism. The Chairman of the Audit Committee is empowered to oversee the functioning and to ensure the effectiveness of the Vigil Mechanism and Whistle Blower Policy.

Consequent to the delisting of the Company's equity shares and non-applicability of Section 177 of the Companies Act, 2013 based on statutory thresholds, the Board has reviewed and aligned its governance policies to match the requirements of an Unlisted Public Company.

19. RISK MANAGEMENT POLICY

The Risk Management Policy of the Board is set up to assist the Board in its oversight of various risks, analyze risk exposure and risk minimization procedure related to specific issues and review the risk profile across the Company. The Charter of the Risk Management Policy is approved by the Board and lays down the risk management processes and controls.

20. NOMINATION AND REMUNERATION POLICY

The Nomination and Remuneration Policy of the Company empowers the Nomination and Remuneration Committee to formulate a process for evaluating the performance of Individual Directors, Committees of the Board and the Board as a whole. However, consequent to the delisting of the Company's equity shares and non-applicability of Section 178 of the Companies Act, 2013 based on statutory thresholds, the Board has reviewed and aligned its governance policies to match the requirements of an Unlisted Public Company.

The Company's policy relating to appointment of Directors, payment of Managerial Remuneration, Directors' qualifications, positive attributes of Independence of Directors and other related matters as provided under Section 178 (3) of the Companies Act, 2013 is not attached as Annexure in this report. Further, in terms of Section 136(1) of the Companies Act and the rules made thereunder, any shareholder interested in obtaining a copy of the above policy may write to the Company Secretary.

21. DETAILS OF SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS / COURTS/TRIBUNALS IMPACTING THE GOING CONCERN STATUS AND THE COMPANY'S OPERATIONS IN FUTURE

Save and as otherwise mentioned elsewhere in the report, there have been no orders passed by the Regulators or Courts or Tribunals impacting the going concern status and Company's operations in future.

24. PARTICULARS OF LOANS, GUARANTEES AND INVESTMENTS UNDER SECTION 186 OF THE COMPANIES ACT, 2013

Pursuant to Section 186(11) of the Companies Act, 2013, the provisions of Section 186 [except sub-section (1)] in respect of loans made, guarantees given, or securities provided or acquisition of securities do not apply to the Company, being a Non-Banking Financial Company registered with the Reserve Bank of India, whose principal business includes making loans and investments in the ordinary course of business.

25. PARTICULARS OF CONTRACTS OR ARRANGEMENTS WITH RELATED PARTIES

During the Financial Year 2025-26, no contracts/transactions/arrangements were undertaken with related parties, which were not at arm's length basis or would qualify as material transactions under the Companies Act, 2013 or the SEBI Listing Regulations, 2015 or RBI Guidelines. Accordingly, the disclosure in **Form AOC-2** is not required.

26. CORPORATE GOVERNANCE REPORT

Since the Company's Paid-up Share Capital does not exceed Rupees Ten Crores and Net Worth does not exceed Rupees Twenty-Five Crores, Corporate Governance Report, prescribed under Regulation 27 of the Securities and Exchange Board of India (Listings Obligations and Disclosures Requirements) Regulations, 2015 is not applicable upon the Company.

27. MANAGEMENT DISCUSSION AND ANALYSIS REPORT

As per the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and RBI Regulations, a report on Management Discussion and Analysis is attached in Annexure to this Annual Report. The disclosure relating to Management Discussion and Analysis Report has been attached as **Annexure-B**.

28. DISCLOSURES UNDER SEXUAL HARASSMENT OF WOMEN AT WORKPLACE (PREVENTION, PROHIBITION AND REDRESSAL) ACT, 2013

The goal of the Company is to ensure that employees, regardless of gender, sexual orientation, or any other distinguishing factors, feel empowered to contribute to the best of their abilities. In line with this, the Company has adopted the policy on Redressal of Sexual and Workplace harassment as per the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 ("Sexual Harassment Act") in order to prohibit, prevent or deter the commission of acts of sexual harassment at workplace. The necessary disclosure as per Rule 8(5)(x) of the Companies (Accounts) Rules, 2014 is given as under:

(a)	Number of complaints of sexual harassment received during the year	Nil
(b)	Number of complaints disposed off during the year	Not Applicable
(c)	Number of cases pending for more than ninety days	Not Applicable

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

OVERVIEW

BAID MERCANTILES LIMITED is a Non-Banking Financial Company (NBFC), registered with the Reserve Bank of India (RBI) under Section 45-IA of the Reserve Bank of India Act, 1934. Under the Scale-Based Regulation (SBR) framework issued by the RBI vide Master Direction – Reserve Bank of India (Non-Banking Financial Company – Scale Based Regulation) Directions, 2023 (as updated), the Company is categorized as a Base Layer NBFC (NBFC-BL). The primary business of the Company involves making long-term and short-term investments in shares, securities, mutual funds, and other permissible financial instruments, alongside maintaining a selective lending operations strategy.

During the financial year under review, the Company initiated the voluntary delisting of its equity shares from The Calcutta Stock Exchange Limited (CSE) in accordance with the SEBI (Delisting of Equity Shares) Regulations, 2021. Final approval for delisting was granted by CSE vide its order dated July 3, 2026, effective July 6, 2026. Consequently, as on the date of this report, the Company functions as an Unlisted Public Company.

1. INDUSTRY STRUCTURE AND DEVELOPMENTS

NBFCs continue to serve as a vital component of India's financial ecosystem by catering to credit requirements across individuals, corporates, and MSMEs. The structural shift toward digitisation, algorithmic credit scoring, and enhanced technology integration has enabled NBFCs to widen their reach and optimize operational delivery.

The regulatory architecture for NBFCs has underwent a transition toward strict harmonisation and prudential oversight. With the RBI enforcing the SBR framework, regulatory scrutiny covers capital adequacy, Net Owned Funds (NOF) compliance, governance standards, asset classification norms, and digital lending practices.

2. OPPORTUNITIES AND THREATS

- **Opportunities:** Transitioning to an unlisted public company structure provides administrative agility, reduced compliance overheads under public capital market regulations, and greater strategic flexibility. The Company continues to evaluate opportunities across structured investments, corporate lending, debt instruments, and mutual funds. The Company plans to leverage its unlisted public structure to swiftly pursue emerging financial opportunities while maintaining risk-adjusted profitability and capital preservation.
- **Threats & Regulatory Risks:** Key external risks faced by the Company include market volatility affecting investment portfolios, interest rate fluctuations, credit risk, liquidity risk, and regulatory changes. The RBI's progressive tight-step implementation of asset classification norms—specifically the mandatory transition to a 90-day Non-Performing Asset (NPA) recognition norm for Base Layer NBFCs by March 31, 2026—requires continuous oversight of loan assets and portfolio recovery.

3. SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE

The Company operates predominantly within a single primary business segment—financial activity comprising investments and loans/advances. Detailed disclosure regarding the financial performance of the Company is reflected in the Board's Report and the accompanying Financial Statements.

4. OUTLOOK

Following its transformation into an unlisted public NBFC, the Company's strategic focus remains on optimizing risk-adjusted returns through disciplined treasury management and conservative credit deployment. The Company aims to sustain business operations while adhering strictly to the statutory framework prescribed by the RBI for Base Layer NBFCs and the provisions of the Companies Act, 2013.

5. RISKS AND CONCERNS

Risk management is embedded in the Company's business strategy. Key focus areas include:

- **Credit & Concentration Risk:** Managed through exposure evaluations and borrower due diligence.
- **Market & Liquidity Risk:** Portfolio valuation risks are continuously monitored by management through active liquidity management.
- **Compliance Risk:** The Company monitors updates issued by the RBI, MCA, and other supervisory bodies to ensure operational alignment.

6. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company maintains an internal financial control system commensurate with its size, business volume, and operational complexity. The internal control framework is designed to ensure operational efficiency, safeguards against asset misapplication, financial accuracy, and strict adherence to applicable legal requirements. Internal audit processes systematically review system design, process integrity, and regulatory compliance.

7. DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

Detailed disclosure regarding the financial performance of the Company is reflected in the Board's Report and the accompanying Financial Statements.

8. MATERIAL DEVELOPMENTS IN HUMAN RESOURCES/INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED

The Company maintains harmonious relations across its operational workforce. As on March 31, 2026, the Company had 4 employees. Following the end of the financial year under review, the Board noted key administrative changes, including the resignation of Key Managerial Personnel (CFO and Company Secretary) effective July 31, 2026, which the Board is addressing in accordance with statutory requirements.

Independent Auditor's Report

To The Members of
Baid Mercantiles Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of **Baid Mercantiles Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of the material accounting policies and other explanatory information (herein after referred to as "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 (hereinafter referred to as "the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards notified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time (hereinafter referred to as "Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2025, its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Independent Auditor's Report (Contd.)
To The Members of **Baid Mercantiles Limited**

We have fulfilled the responsibilities described in the Auditors' responsibilities for the audit of the financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying financial statements.

Sl. No.	Key Audit Matter	Auditor's Response
1	<u>Investments (Note No. 5)</u> Investments include investments made by the Company in various quoted mutual funds. These investments constitute 98% of the Company's total assets. The above investments in quoted instruments are measured at fair value at each reporting date and these fair value measurements significantly impact the Company's financial performance. The accounting and fair valuation of the aforesaid securities is to be done as per the provisions of Ind AS. Considering the complexities in accounting and extent of judgement involved in the valuation, this has been determined as Key Audit Matter.	• Testing appropriate implementation of accounting policy of valuation by management. • Reconciling the financial information mentioned in fair valuation to underlying source details. Also, testing the reasonableness of management's estimates considered in such assessment. • Obtaining valuation of quoted investments. • Assessed and evaluated the process adopted for collection of information from various sources for determining fair value of these investments. • Assessing the factual accuracy conclusion reached by the management and appropriateness of the disclosures made in the financial statements in respect of investments.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's report thereon. The other information as stated above is expected to be made available to us after the date of this auditors' report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the other information as stated above and if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and describe necessary actions required as per applicable laws and regulations.

Independent Auditor's Report (Contd.)
To The Members of **Baid Mercantiles Limited**

Responsibilities of the Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with relevant rules issued there under.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has an adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Independent Auditor's Report (Contd.)
To The Members of Baid Mercantiles Limited

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order.

Independent Auditor's Report (Contd.)
To The Members of **Baid Mercantiles Limited**

2. As required by Section 143(3) of the Act, we report that:

- i. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- ii. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- iii. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash flows dealt with by this report are in agreement with the relevant books of account.
- iv. In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- v. On the basis of the written representations received from the directors as at 31st March, 2026 taken on record by the Board of Directors, none of the directors is disqualified as at 31st March, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
- vi. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- vii. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - a. The Company does not have any pending litigations which would impact its financial position.
 - b. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.
 - c. There were no amounts required to be transferred to the Investor Education and Protection Fund by the Company.
 - d. (i) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate

Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(ii) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(iii) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above, contain any material misstatement.

- e. The Company has not declared or paid any dividend during the year.
- f. Based on our examination, which included test checks, and as per information and explanation provided to us, the Company has used accounting software for maintaining its books of account for the financial year ended 31st March, 2026 which has a feature of recording audit trail (edit log) facility and the same has been enabled and operated throughout the year for all relevant transactions recorded in the software.

Further, as per information and explanation provided to us, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

The Company has preserved the Audit trail (edit log) as per the statutory requirements for record retention.

3. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the company to its directors during the year is in accordance with the provisions of section 197 of the Act.

Independent Auditor's Report (Contd.)
To The Members of **Baid Mercantiles Limited**

"ANNEXURE B" TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF BAID MERCANTILES LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Baid Mercantiles Limited ("the Company") as of 31st March, 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

Independent Auditor's Report (Contd.)
To The Members of **Baid Mercantiles Limited**

"Annexure B" to the Independent Auditor's Report (Contd.)

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Notes on Financial Statements for the year ended 31st March, 2026

Note No. : 1 Corporate Information

Baid Mercantiles Limited ("the Company") is a public limited company incorporated and domiciled in India vide Corporate Identity No.L70109WB1988PLC044591 and having its registered office at 58, Elliot Road 2nd Floor, Kolkata 700016. The Company is a Non-Banking Finance Company registered with RBI and is engaged in Loan Financing and Investment Shares and Securities. Pursuant to the Scale Based Classification of NBFCs, introduced by RBI, the Company is categorised as a Base Layer NBFC.

The Company's shares are listed on the Calcutta Stock Exchange Ltd.

The financial statements for the year ended 31st March, 2026 were approved by the Board of Directors of the Company on 28th May, 2026 and authorised for issue to the shareholders for their adoption in the ensuing Annual General Meeting.

Note No. : 2 Material Accounting Policies

2.1 Statement in compliance with Indian Accounting Standards "Ind-AS":

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) specified under Section 133 of the Companies Act, 2013 ('the Act') read with Companies (Indian Accounting Standards) Rules, 2015 (as amended) and along with other relevant provisions of the Act and Master Direction - Reserve Bank of India (Non-Banking Financial Company - Scale Based Regulation) Directions, 2023, as prescribed for Base layer Companies. The financial statements have also been prepared in accordance with the relevant presentation requirements of the Act.

2.2 Basis of preparation of financial statement:

The financial statements are prepared in accordance with the historical cost convention, except for certain items that are measured at fair values, as explained in the accounting policies. The financial statements are prepared on a going concern basis, as the Management is satisfied that the Company shall be able to continue its business for the foreseeable future and no material uncertainty exists that may cast significant doubt on the going concern assumption. In making this assessment, the Management has considered a wide range of information relating to present and future conditions, including future projections of profitability, cash flows and capital resources.

Accounting policies have been consistently applied except where a newly issued Indian Accounting Standard is initially adopted or a revision to an existing Indian Accounting Standard requires a change in the accounting policy hitherto in use.

The financial statements are presented in INR (₹), which is also the Company's functional currency and all values are rounded to the nearest Lacs upto 2 decimals except when otherwise indicated.

The Company prepares and present its Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity in the format prescribed by Division III of Schedule III to the Act. The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 'Statement of Cash Flows'.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Act and Ind AS 1. For the company, there is generally no clearly identifiable normal operating cycle and hence the normal operating for the company is assumed to have duration of 12 months.

2.3 Use of estimates

The preparation of financial statements requires the use of certain critical accounting estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses and disclosed amount of contingent liabilities. Estimates and assumptions used in the preparation of the financial statements and disclosures are based upon management's evaluation of the relevant facts and circumstances as of the date of the financial statements, Actual results could differ from those estimates and the differences between the actual results and the estimates would be recognised in the periods in which the results are known / materialised.

Areas involving a higher degree of judgement or complexity or areas where assumptions are significant to the Company are discussed in Note 2.16 on Critical accounting judgements and key sources of estimation uncertainty.

BAID MERCANTILES LIMITED

Notes on Financial Statements for the year ended 31st March, 2026

2.4 Revenue recognition

Revenue is measured based on the transaction price specified in a contract with a customer and excludes amounts collected on behalf of third parties. The transaction price is documented on the sales invoice and payment is generally due as per agreed credit terms with customer. The Company recognizes revenue when it transfers control over a product or service to customers in accordance with Ind AS 115.

The Company recognises income on accrual basis to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. However, where the ultimate collection of revenue lacks reasonable certainty, revenue recognition is postponed.

The Company is engaged in the business of non banking financial services and revenue from operations is recognized in the

Statement of Profit and Loss on an accrual basis as stated herein below:

(i) Sale of Shares & Securities

Income from Sale of Shares is recognised on the date of transaction.

(ii) Interest income

Interest income from is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

(iii) Dividends

Dividend income is recognised in the Statement of Profit and Loss when the right to receive dividend is established and it is probable that the economic benefits associated with the dividend will flow to the Company and that the amount of the dividend can be measured reliably.

(iv) Other income

The Company recognises other income on accrual basis as it becomes due.

2.5 Financial instruments

Financial assets and financial liabilities (financial instruments) are recognised when the Company becomes a party to the contractual provisions of the instruments. All regular way purchases or sales of financial assets are recognised and derecognised on the trade date basis.

(i) Classification

The financial assets and financial liabilities are classified as current if they are expected to be realised or settled within operating cycle of the company or otherwise these are classified as non-current. The Company classifies its financial assets in the following measurement categories:

> those to be measured subsequently at fair value (either through other comprehensive income (FVTOCI), or through profit or loss (FVTPL), and

> those measured at amortised cost.

The classification is done depending upon the Company's business model for managing the financial assets and the contractual terms of the cash flows.

For assets classified as 'measured at fair value', gains and losses will either be recorded in profit or loss or other comprehensive income, as elected. For assets classified as 'measured at amortised cost', this will depend on the business model and contractual terms of the cash flows.

BAID MERCANTILES LIMITED

CIN: L70109WB1988PLC044591

Notes on Financial Statements for the year ended 31st March, 2026

(ii) Measurement

Initial Measurement:

Financial assets and financial liabilities are initially measured at fair value (unless it is a trade receivable without a significant financing component). Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

Trade receivables are initially recognised at its transaction price which is considered to be its fair value.

Subsequent Measurement:

Subsequent measurement of financial assets and financial liabilities depends on the Company's business model for managing the financial asset and financial liabilities and their cash flow characteristics. There are three measurement categories into which the Company classifies its financial instruments:

Subsequently measured at amortised cost:

Financial assets and financial liabilities that are held for collection/payment of contractual cash flows where those cash flows represent solely payments of principal and interest or convertible into equity on a future date are measured at amortised cost e.g. Debentures, Preference Shares, Bonds etc. A gain or loss on a financial asset and financial liabilities that is subsequently measured at amortised cost is recognised in the Statement of Profit and Loss when the asset/liabilities is derecognised or impaired. Interest income or expense from these financial assets and financial liabilities recognised using the effective interest rate method.

Subsequently measured at fair value through profit or loss:

Financial assets and financial liabilities that do not meet the criteria for amortised cost, are measured at fair value through profit or loss e.g. investments in mutual funds. A gain or loss on a financial asset and financial liabilities that is subsequently measured at fair value through profit or loss is recognised in profit or loss and presented net in the Statement of Profit and Loss within other gains/(losses) in the period in which it arises.

Equity instruments subsequently measured at fair value through other comprehensive income.

The Company subsequently measures all equity investments at fair value through profit or loss, unless the Company's Management has elected to classify irrevocably some of its equity investments as equity instruments at FVTOCI, when such instruments meet the definition of definition of Equity under Ind AS 32.

Financial Instruments: Presentation. Such classification is determined on an instrument-by-instrument basis.

Gains and losses on these equity instruments are never recycled to Statement of Profit and Loss. Dividends are recognised in Statement of Profit and Loss as dividend income when the right of the payment has been established, except when the Company benefits from such proceeds as a recovery of part of the cost of the instrument, in which case, such gains are recorded in OCI.

Business model assessment:

The Company determines its business model at the level that best reflects how it manages groups of financial assets to achieve its business objective.

The Company's business model is not assessed on an instrument-by-instrument basis, but at a higher level of aggregated portfolios and is based on observable factors such as:

> How the performance of the business model and the financial assets held within that business model are evaluated and reported to the entity's key management personnel

> The risks that affect the performance of the business model (and the financial assets held within that business model) and, in particular, the way those risks are managed

> The expected frequency, value and timing of sales are also important aspects of the Company's assessment

If cash flows after initial recognition are realised in a way that is different from the Company's original expectations, the Company does not change the classification of the remaining financial assets held in that business model, but incorporates such information when assessing newly originated or newly purchased financial assets going forward.

The SPPI test (Solely Payments of Principal and Interest)

As a second step of its classification process the Company assesses the contractual terms of financial assets to identify whether they meet the SPPI test.

'Principal' for the purpose of this test is defined as the fair value of the financial assets at initial recognition and may change over the life of the financial asset.

The most significant elements of interest within a lending arrangement are typically the consideration for the time value of money and credit risk.

BAID MERCANTILES LIMITED

CIN: L70109WB1988PLC044591

Notes on Financial Statements for the year ended 31st March, 2026

(iii) Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk and if so, assess the need to provide for the same in the Statement of Profit and Loss.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables.

The application of simplified approach does not require the Company to track changes in credit risk.

Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument.

ECL impairment loss allowance (or reversal) is recognised during the period only if material and is recognised as income/expense in the Statement of Profit and Loss. This amount is reflected under the head 'other expenses' in the Statement of Profit and Loss.

Financial assets measured at amortised cost: ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the Balance Sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

(iv) Reclassification of financial assets and liabilities

The Company does not re-classify its financial assets subsequent to their initial recognition, apart from the exceptional circumstances when the Company changes its business model for managing such financial assets. The Company does not re-classify its financial liabilities.

(v) Derecognition of financial assets and financial liabilities

A financial asset is derecognised only when Company has transferred the rights to receive cash flows from the financial asset. Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires.

(vi) Off-setting of financial instruments

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously backed by past practice.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs. A conversion option that will be settled by the exchange of a fixed amount of cash or another financial asset for a fixed number of the Company's own equity instruments is an equity instrument.

No gain/loss is recognised in profit or loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

2.6 Impairment of Assets (Other than Financial assets)

An asset is considered as impaired when at the date of Balance Sheet there are indications of impairment and the carrying amount of the asset or where applicable the cash generating unit to which the asset belongs exceeds its recoverable amount (i.e. the higher of the net asset selling price less cost to sell and value in use). The carrying amount is reduced to the recoverable amount and the reduction is recognised as an impairment loss in the statement of Profit and Loss. The impairment loss recognised in the prior accounting period is reversed if there has been a change in the estimate of recoverable amount. Post impairment, depreciation is provided on the revised carrying value of the impaired asset over its remaining useful life.

2.7 Inventory Valuation

Inventories include stock of shares which are held for trading and are required to be classified as FVTPL (under changes in inventory) as per Ind AS-109.

2.8 Taxation

- (i) Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, in accordance with the Income Tax Act, 1961 and the Income computation and Disclosure Standards prescribed therein. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.
- (ii) Deferred tax is provided using the liability method on temporary differences arising between the tax base of assets and liabilities and their carrying amounts in the financial statements. Deferred tax is determined using tax rates that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.
- (iii) Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences.
- (iv) The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.
- (v) Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity, if any. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.
- (vi) Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

2.9 Provisions, contingent liabilities and contingent assets

The Company creates a provision when there is present obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When the likelihood of outflow of resources is remote, no provision or disclosure is made.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent assets are neither recognized nor disclosed except when realisation of income is virtually certain, related asset is disclosed. Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

2.10 Operating Segment

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision-maker (CODM). The CODM, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Board of Directors. Based on such the Company operates in one operating segment, viz. non banking financial services. The Company operates in one geographical segment in India.

2.11 Employee benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Payment of Gratuity Act is not applicable to the company as numbers of employees are less than the minimum required for applicability of Gratuity Act.

2.12 Cash and cash equivalents

For the purpose of presentation in the Statement of Cash Flows, cash and cash equivalents includes cash on hand, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

2.13 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period.

The weighted average number of equity shares outstanding during the period and all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of share outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

2.14 Fair value measurement

The Company measures financial instruments, such as, investment in mutual funds at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either

> In the principal market for the asset or liability, or

> In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

> Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

> Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

> Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

The Company has set policies and procedures for both recurring and non-recurring fair value measurement of financial assets, which includes valuation techniques and inputs to use for each case.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

2.15 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit/loss before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing flows. The cash flows from operating, investing and financing activities of the Company are segregated.

2.16 Critical accounting judgments, assumptions and key sources of estimation and uncertainty

The preparation of the financial statements in conformity with the measurement principle of Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Differences between the actual results and estimates are recognized in the year in which the results are known / materialized and, if material, their effects are disclosed in the notes to the financial statements.

Application of accounting policies that require significant areas of estimation, uncertainty and critical judgments and the use of assumptions in the financial statements have been disclosed below. The key assumptions concerning the future and other key sources of estimation uncertainty at the balance sheet date, that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the next financial year are discussed below:

(i) Income taxes

The Company provides for tax considering the applicable tax regulations and based on reasonable estimates. Management periodically evaluates positions taken in the tax returns giving due considerations to tax laws and establishes provisions in the event if required as a result of differing interpretation or due to retrospective amendments, if any.

Deferred income tax expense is calculated based on the differences between the carrying value of assets and liabilities for financial reporting purposes and their respective tax bases that are considered temporary in nature. Valuation of deferred tax assets is dependent on management's assessment of future recoverability of the deferred benefit. Expected recoverability may result from expected taxable income in the future, planned transactions or planned optimising measures. Economic conditions may change and lead to a different conclusion regarding recoverability.

(ii) Fair value measurements and valuation processes:

Investments are measured at fair value for financial reporting purposes. Fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety.

Information about the valuation techniques and inputs used in determining the fair value of various assets and liabilities are disclosed in the notes to the financial statements.

Note No. 2.17 : Recent Pronouncements

(a) New and revised standards adopted by the Company

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

In May 2025, MCA notified amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates, applicable w.e.f. 1st April, 2025. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

In August 2025, MCA notified the following amendments to:

- (i) Ind AS 1, Presentation of Financial Statements, applicable w.e.f. 1st April, 2025 - The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. The Company has no impact of these amendments in its classification criteria of current and non-current liabilities.
- (ii) Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instruments: Disclosures, applicable w.e.f. 1st April, 2025 - The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.
- (iii) Ind AS 12, International Tax Reform - Pillar Two Model Rules applicable immediately - The amendments provide a temporary mandatory relief from deferred tax accounting for top-up tax and require companies to disclose that they have applied the relief. This relief is immediate and applies retrospectively. The amendments also require companies to provide new disclosures to compensate for potential loss of information resulting from the relief. Such disclosures are to be provided for annual reporting periods beginning on or after 1st April, 2025. The Company operates only within India and is not subject to the Pillar Two model rules. Accordingly, these amendments do not have any impact on the financial statements of the Company.
- (iv) Ind AS 21 - The Effects of Changes in Foreign Exchange Rates (Lack of Exchangeability), applicable w.e.f. 1st April, 2025. The amendment provides guidance for determining exchange rates when a currency is not exchangeable into another currency and requires additional disclosures in such cases.

The Company has reviewed the amendment and based on its evaluation has determined that it does not have any impact in its financial statements.

(b) Standards issued but not yet effective

As at the date of approval of these financial statements, the Ministry of Corporate Affairs has notified certain amendments to Indian Accounting Standards which are not yet effective for the year ended 31 March 2026. The Company has not early adopted these standards.

The Company is evaluating the impact of these amendments on its financial statements. The major amendments include:

- (i) Proposed Ind AS 118 - Presentation and Disclosure in Financial Statements
Ind AS 118, which is based on IFRS 18, is expected to replace certain requirements of Ind AS 1 and introduce new presentation categories in the statement of profit and loss, including operating, investing and financing categories.
- (ii) Amendments to Ind AS 109 - Financial Instruments and Ind AS 107 - Financial Instruments: Disclosures
These amendments aim to clarify guidance on classification, measurement and disclosure requirements relating to financial instruments.

27 CAPITAL MANAGEMENT

The primary objectives of the company's capital management policy is to ensure compliance with regulatory capital requirements and to optimise returns to the shareholders. In line with this objective, the company ensures adequate capital at all times and manages its business in a way in which its capital is protected, satisfactory business growth is ensured and cash flows are monitored. The equity share capital and other equity are considered as capital for the purpose of company's capital management.

The company maintains an actively managed capital base to cover risk inherent in business and meets the capital requirements of RBI regulations.

28 FINANCIAL INSTRUMENTS

Financial instruments by category and Fair Valuation Measurement Hierarchy:

The material accounting policies, including the criteria for recognition, the basis of measurement and the basis on which income and expenses are recognised, in respect of each class of financial asset, financial liability and equity instrument are in note 2.5 to the financial statements.

The following table shows the carrying amounts and fair values of financial assets and financial liabilities:

Particulars	As at 31.03.2026		As at 31.03.2025	
	Carrying Amount	Fair Value	Carrying Amount	Fair Value
Financial Assets				
At Amortised Cost				
Cash and Cash Equivalents (Note-3)	2.49	2.49	13.61	13.61
Loans (Note-4)	892.76	892.76	-	-

Notes on Financial Statements for the year ended 31st March, 2026 (contd.)Notes:

Level 1 : Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments and mutual funds that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2 : The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data (unobservable inputs), the instrument is included in level 3.

There are no transfers between level 1, 2 and 3 during the year.

ii. Financial risk management objectives

The Company's activities exposes it to a variety of financial risks, including credit risk and liquidity risk. The Company's financial risk management process seeks to enable the early identification, evaluation and effective management of key risks facing the business. The current Risk Management System rests on policies and procedures issued by appropriate authorities, internal control systems, process of regular reviews / audits to set appropriate risk limits and controls; monitoring of such risks and compliance confirmation for the same.

a) Liquidity risk

Liquidity risk is the risk that the Company does not have sufficient financial resources to meet its obligations as they fall due, or will have to do so at an excessive cost. This risk arises from mismatches in the timing of cash flows which is inherent in all finance driven organisations and can be affected by a range of Company-specific and market-wide events. The objectives of the Company's liquidity risk management processes are to lessen the impact of liquidity risk by minimizing mismatch in timing of cash flow.

The Company mitigates its liquidity risks by ensuring timely collections of its receivables and close monitoring of its credit cycle. The table below provides details regarding the remaining contractual maturities of significant financial assets and liabilities at the reporting date:

(v) Institutional set-up for liquidity risk management:
Financial risk arise due to transactions such as investments, financing, business activities, sales, purchases, etc. Financial markets are full of uncertainties and risk is associated with different classes of assets/instruments hence ignorance of these risks can result in losses and liquidity issues. The risk management committee evaluates significant risk exposures of the Company and assess management's actions to mitigate the exposures in a timely manner (including one-off initiatives, and ongoing activities such as business continuity planning and disaster recovery planning & testing). In order to ensure a sound and robust liquidity risk management system, the Board has framed a liquidity risk management framework which ensures that it maintains sufficient liquidity, including a cushion of unencumbered high quality liquid assets to withstand a range of stress events, including those involving the loss or impairment of both unsecured and secured funding sources. The Asset Liability Management Committee (ALCO) is responsible for managing and directing Asset/Liability Management policies and procedures.

39 Details of Corporate Social Responsibility Expenditure

Notes on Financial Statements for the year ended 31st March, 2026 (contd.)

40 The Government of India has consolidated 29 existing labour legislations into a unified framework comprising four labour codes viz the Code on Wages, 2019, the Code on Social Security, 2020, the Industrial Relations Code, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 (collectively referred to as the "Codes"). The Codes have been made effective from 21st November, 2025. The Ministry of Labour & Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to changes in regulations. The incremental impact of these changes is not material and has been recognised in the financial statements of the Company. Once Central/ State Rules are notified by the Government on all aspects of the Codes, the Company will evaluate impact, if any, on the measurement of employee benefits and would provide appropriate accounting treatment.

41 In case of figures mentioned as '0' in the financial statements, it denotes figures less than a thousand.

42 The previous year's figures have been rearranged wherever necessary. Amounts and other disclosures for the preceding year are included as an integral part of the current year financial statements and are to be read in relation to the amounts and other disclosures relating to the current year.

STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013

Item No. 3

Mr. Ashwani Agarwal (DIN: 10695507) is presently serving as an Independent Director of the Company.

Consequent to the delisting of the Equity Shares of the Company from The Calcutta Stock Exchange Limited. The Company is no longer required to appoint Independent Directors under Section 149(4) of the Companies Act, 2013. Accordingly, for better management it is proposed to change the designation of Mr. Ashwani Agarwal (DIN: 10695507) from Independent to Non-executive (Professional/Non-Independent) eligible to retire by rotation.

Upon approval of the proposed Special Resolution, Mr. Ashwani Agarwal shall cease to hold office as an Independent Director and shall continue as a Non-Executive Director (Non-Independent) of the Company with effect from the date of approval by the Members. He shall be entrusted with such functions, duties and responsibilities as may be assigned by the Board of Directors from time to time. The terms and conditions of his appointment, including remuneration, if any shall be governed by the applicable provisions of the Companies Act, 2013 and shall be subject to such approvals as may be required under the Act.

The Board is of the opinion that Mr. Ashwani Agarwal's continued association with the Company capacity will be beneficial to the Company and its stakeholders and that the proposed change in designation is in the best interests of the Company.

Accordingly, the Board of Directors recommends the Special Resolution set out at Item No. 3 of the accompanying Notice for approval of the Members.

Except Mr. Ashwani Agarwal and his relatives, to the extent of their shareholding, if any, in the Company, none of the Directors, Key Managerial Personnel of the Company or their relatives is, in any way, concerned or interested, financially or otherwise, in the proposed Resolution.
